Lisa Washburn in leotard by  
LOLAStretch. Frank Shott's  
top and shorts are his own.

"[The dancers in the company] help to  
correct and push each other and we  
feed off of that, which makes for the perfect  
environment to grow as an artist. You **feel**  
both comfortable and challenged  
at the same time."

—Lisa Washburn, on dancing in Ballet Austin
